Phrasal Verbs 1

Interactive Books: **Phrasal Verbs** 1

Introduction

Welcome to the Interactive Phrasal Verbs booklet. Phrasal verbs are a complex but highly important area of language. Hot English has a unique approach to teaching them with five key features:

1 Key language

- The language in these booklets has been carefully selected so you'll only learn the most useful phrasal verbs.

2 Images

- The photos and illustrations will help you understand the phrasal verbs by creating a link between the images and the phrasal verbs.

3 Audio files

- The recorded audio files will help you with the pronunciation of the phrasal verbs. Listening to the example sentences will also help you remember the phrasal verbs, especially if you hear them over and over again.

4 Topic areas

- The phrasal verbs have been divided up into topic areas. This is good for you because by organising language, it's easier for you to memorise it.

5 Example sentences

- The example sentences will give you a clear example of how the phrasal verbs are used. Plus, they'll help you memorise the phrasal verbs. Remember, for effective learning, you should always learn language in phrases or sentences – never as individual words or expressions!

We hope you enjoy learning these phrasal verbs!

How to use the material

- Before reading or listening to the material, look at the images. They'll help you understand the phrasal verbs. Later, you can refer to the pictures while you're reading and listening to the definitions and example sentences. This will also help you remember the language.
- Read and listen to the audio files. This will help you understand the language, remember it and hear how it's pronounced. Later, you can listen to the audio files on their own (without the text) while you're in the car, jogging in the park, lying on the sofa, walking in the street... This will really help you memorise the phrasal verbs.
- Listen and repeat the example sentences. This will help with your pronunciation of the language, and will also help you memorise it.
